

## VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

### Brief Report on Expert Lecture on A survey: Feedback Control System by Prof. B.S. Manke

Name of Department/Organizer	:	Instrumentation & Control
Date & Time	:	16/02/2017 & 03:00PM to 05:00PM
Venue	:	A Block-Vishveshwaray auditorium
No of Participants	:	130

#### • Objective of the Event

The main aim of the event was to familiarize the students with the subject control system and its application. The lecture was delivered by Prof. B.S. Manke. He graduated in electrical engineering from Madhav Institute of Technology, Gwalior in 1962 and completed post graduation in 1964 from College of Engineering, Pune. He was awarded two Indian patents to his credit. 2nd, 4th & 6th semester students and 7 faculty members of IC Engg. participated in the event. He delivered a lecture on the concept of modern control theory and application of control system in various process controls.

#### • Outcome of the Event

- Acquired knowledge of basic and advanced process control system
- Awareness on control system application using software tools like MATLAB
- Guiding students to undertake projects in Modern Control System
- Awareness on various applications of Modern Control System in IC Engg.
- How to solve real-life problems using Control system
