Date & Time	:	24/08/2018, 11.00 to 12.30
Venue	:	N-104, Civil Engineering Department
No of Participants	:	82

- **Objective of the Event**

One day workshop on "Innovations in Concrete " was organized by the Applied Mechanics Department, Vishwakarma Government Engineering College by Prism Cement Ltd. on 24th August 2018. The session was delivered by Mr. Bijet kumar, Marketing manager, Prism Cement Ltd., along With Ms. Priyanka Thakkar, Senior Executive, Prism Cement Ltd. All the faculty members of Applied Mechanics Department and 82 student participants attended the program and enrich their knowledge.

- **Outcome of the Event**

The session was a combination of demonstration of practical aspect of Concrete Mix Design and new ingredients used in RMC to overcome the practical issues. Students understand the difference between on site concrete mix and Ready mix concrete at plant. They were also informed about various new concretes used for the special purposes such as DYECRETE, ELITECRETE, and EASYCRETE etc. This expert talk was very much knowledge sharing for students in the presence of experience industrial fraternity.
