

VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

Brief Report on Industrial Visit to ERDA

Name of Department/Organizer	:	Electrical Engineering Department
Date & Time	:	06/10/2017 & 13/10/2017
Venue	:	Electrical Research and Development Association (ERDA), Vadodara
No of Participants	:	100

● Objective of the Event

7th semester students of **Electrical Engineering Department** of Vishwakarma Government Engineering College Chandkheda visited ERDA, situated in Baroda. These visit falls under **major activity head** of “**Technical/ Research skill**” with sub-activity head of “**Industrial / Exhibition Visit with Report**”. The visit was organized for two days on **06/10/2017 & 13/10/2017**. **Total 100 students (8 girls & 92 boys)** took benefit of this industrial visit. These students were accompanied by following faculty members.

- Prof. Jignasha H. Prajapati
- Prof B. K. Patel
- Prof. Kaustubh A. Vyas
- Prof. Dharmistha V. Makwana

● Outcome of the Event

The Major objective behind organizing this visit to ERDA is to make our student realize the extensive world in the field of electrical research. All students were instructed to gather at VGEC **main gate at 9:30 AM** on their respective date of visit (i.e.,06/10/2017 and 13/10/2017). 47 students visited ERDA on 06/10/2017 and Total 53 students (8 girls and 45 boys) on 13/10/2017. Student reached ERDA at 1:00 PM. Lunch arrangements were provided by ERDA for all students and faculty members. Post lunch all students were taken to seminar hall where they five the video seminar on history of ERDA and role of ERDA in electrical industry. Then students visit done the site visit of ERDA succeeded by testing laboratory visit. They provided extra 30 minutes of time to all students for any doubts any query related to Electrical Research and Testing.
