

## **World Youth Skills Day at VGEC - Chandkheda**

Vishwakarma Government Engineering College – Chandkheda organized various activities as a part of “World Youth Skills Day” on 15<sup>th</sup> July, 2015 from 4 to 6 pm.

Prof. Raghubir Sharan who has an experience of more than 45 years with various eminent academic Institutions of India was invited to deliver an interactive session on “Research and Innovation.” He has an expertise in various domains such as Technological progress and human values, Semiconductor devices, Transducers and instrumentation, Noise, Engineering education. In addition to Research and Innovation, he discussed about growth of education in India. The importance of addressing “Skills Development Component in Education” was discussed in the session. The session was very well received by faculty and students of VGEC. There were more than 175 attendees.

The welcome address was given by Dr. R. K. Gajjar, Principal, VGEC – Chandkheda. The program was coordinated by Prof. R. A. Thakker, Head EC Department.

The talk of Prof. Sharan was followed by poster presentation in Block G 205 of some best projects identified during previous final year batch of students. The poster presentation was attended by faculty and students of VGEC.

Some memories of this event in the form of photographs are included herewith in the following.
