

VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

AABHAYAM PROJECT AND WOMEN SAFETY

Date: - 1ST August, 2015

A seminar on 'Aabhayam project' and women safety was organized under the "Mahila Shashaktikaran Fortnight" by VGEC, Chandkheda under the guidance of Prof. Rupal Vyasa. The commencement of the seminar took place at 11:00 am with a prayer. There were two main topics that were covered in the seminar. The first one was on the Aabhayam helpline number 1091 and the other was Women Safety.

One of the two invitees ASI. Pravinsinh G. Chauhan, PA to Police Inspector spoke on Abhayam Project. He distributed 'Police Mitra' Cards among the girls that will make them friends with the police. He informed the girl students about different safety measures and motivated them a lot. He shared his experiences with girl regarding women safety. After talking to him, the students felt safe and assured that our safety is in responsible hands. He provided us with valuable information regarding various sections of law under which the harasser can get punished. His speech reminded us how foresighted our lawmakers were.

The other invitee was Ms. Ruzan Khambhata, the founder of 'Police Heart' 1091 helpline. She had a very enlightening personality and was very friendly by nature. She guided the girls how to courageously face their fears and the evil elements of the Society. She gave complete information about 1091 helpline number, about when and how it can be accessed and its usefulness. The way she taught us how to be careful in public was very helpful.

This seminar was very successful due to the enthusiastic participation of 150+ girl students and lady-faculty members of VGEC.
