

## VISHWKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

### Report on webinar "How to Approach Artificial Intelligence"

<b>Name of Department</b>	:	Electronics and Communication Dept
<b>Title of Webinar</b>	:	How to Approach Artificial intelligence (AI)
<b>Expert Name, Designation&amp; Affiliation</b>	:	Mr. Alokendu Mazumder, (Alumnus, EC Department, VGEC)
<b>Date &amp; Time</b>	:	08/02/2021, 3 - 4.30 P.M.
<b>Venue</b>	:	ONLINE (Microsoft Teams)
<b>No of Participants</b>	:	35
<b>Event Coordinator</b>	:	Prof J K Naik and Prof N P Patel

#### About the Webinar

A webinar on "How to Approach Artificial Intelligence" was organized by EC Department on February 18<sup>th</sup>, 2021. The webinar was conducted to educate the participants about the Artificial Intelligence with a balanced approach between theory and coding part of AI. The speaker Mr. Alokendu Mazumder is 2019 batch pass out student of the EC department.

#### Objectives of the Webinar

- To know about AI and career prospectus in AI.
- To learn about how to approach AI.
- To learn about the resources used in AI.

#### Discussion Points

- Importance of AI and its applications in today's world.
- How to become an expert in the field of AI.
- Importance and necessity of Learning of key subjects like Linear Algebra, Probability, Statistics before learning of AI.

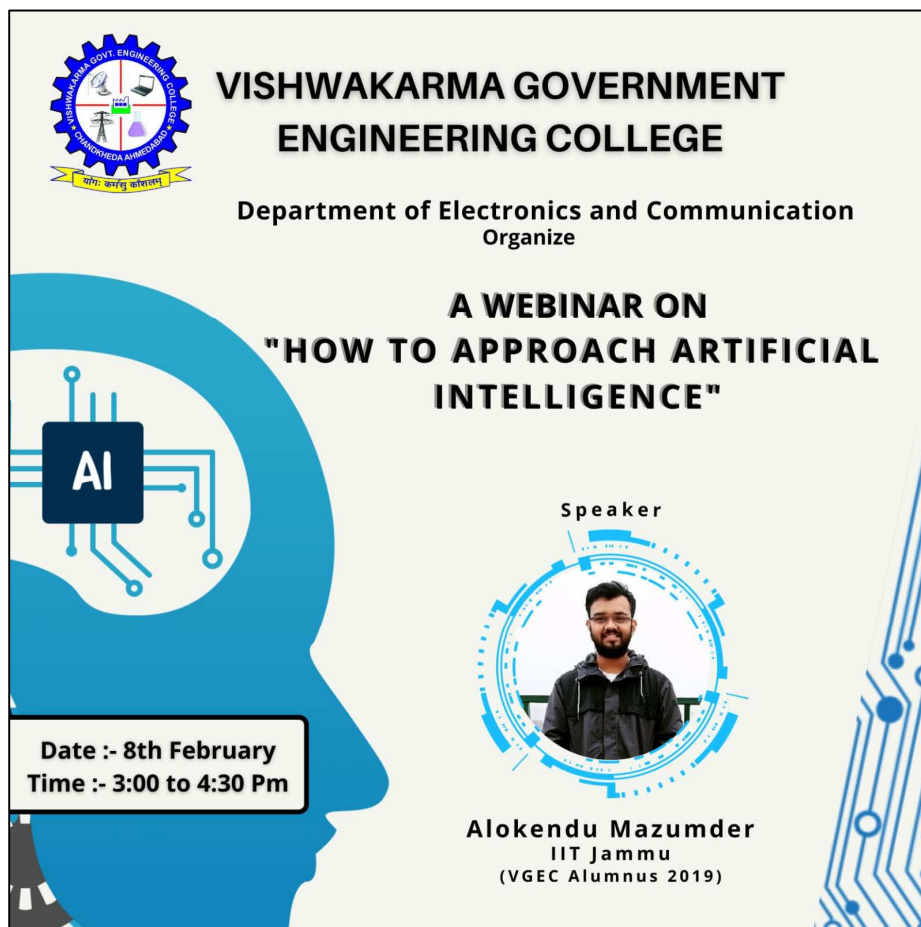

## Outcomes

- Students learned about future of artificial intelligence and its applications in **the** industry.
- Students got to know about career prospects in AI Domain and prerequisite courses for the study of AI.
- How to start learning of AI and resources to be used to learn AI were touched upon.
- Emphasizes on balanced learning approach between theory and coding part of AI.
- Current research in the field of AI.
- The program was very informative for the students as per their feedback.

## Words from the Expert

- “To master AI, one needs to be acquainted with Linear Algebra, Probability, Statistics and knowledge with machine learning.”  
– Mr. Alokendu Mazumder

## Poster of the Webinar

The poster is for a webinar titled "HOW TO APPROACH ARTIFICIAL INTELLIGENCE" organized by the Department of Electronics and Communication at Vishwakarma Government Engineering College. The speaker is Alokendu Mazumder, an IIT Jammu alumnus from 2019. The poster includes the college's logo, a stylized head profile with an AI chip, and the event details: Date: 8th February, Time: 3:00 to 4:30 PM.
