## A Guidance session on: “Career Opportunities in Defence Services”

Dated on 27/09/2020

BY: 1) Mr. Shubhdeep Sharma

&

2) Mr. Rishabh Panchal

Name of Department/Organizer	VGEC-AA, VGEC Chandkheda
Date & Time	27 <sup>th</sup> September, 2020 4:00pm-5:00pm
Online Platform used	Microsoft Teams
No. of Participants	35

### Objective of the webinar:

Everyone have patriotism inborn, but only few have a courage and opportunity to serve their nation. Courage is inborn; however, opportunity is to be caught by an individual by hammering away in right direction. But, getting direction itself is challenging and sometimes demolishes the courage and enthusiasm of an individual. So, a guidance session was organized by Mr. Shubhdeep Sharma, Project manager of Torrent Power Limited and Mr. Rishabh Panchal, BPM at India post Kapadwanj both being the alumni of the Electrical Department, VGEC; with the objective of unfolding “Career Opportunities in Defence Services”.

### Event flow:

Experts were well-aware and knew that if they would divide their whole webinar in 2 parts, it might pop out as boredom to few participants. So to avoid that they

both started simultaneously, giving a bit variety to audience. First of all they introduced the types of commission, i.e. whether an individual desires to have a permanent career or for specific tenure in defence. Most importantly, they showed us numerous paths in a single field (ex: Army) for both types of Commission. According to them, one of the most difficult and crucial obstacle “SSB interview” was also discussed. Additionally they gave tips for cracking this interview successfully. They even mentioned various selection centers of all 3 divisions of defence services. At last, they concluded with an advice that everyone must attempt SSB interview irrespective of your choice of joining defence services, because it is an experience worth remembering. They also keenly answered the doubts asked by audience after completion of presentation.

### **Outcome of the Event:**

All courageous and enthusiastic minds got to know about different paths in which they can proceed for serving nation. They also got tips to crack entrance exams and interviews so that they will remain one step ahead of other candidates.
