#### • Objective of the Event

Chemical Engineering Department has organized an expert session on “Personality Development” on 8<sup>th</sup> August, 2019. Key objective of this session is to prepare students for corporate world.

#### • Outcome of the Event

On 8<sup>th</sup> August, 2019 an expert talk was arranged on the topic “Personality Development” by Mr. Rohan Garg. The talk was initiated by discussing what do corporate wants? He told students that it requires primarily three skills 1) Logical, 2) Conceptual, 3) Presentable. These three things are very much important for a student to have excellence. The session was continued by discussing the process and structure. Expert also explains students about the importance of interview in the corporate world.
