

## VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

### Brief Report on **Open House-2016**

Name of Department/Organizer	:	Instrumentation & Control
Date & Time	:	21/04/2016 & 10:30AM onwards
Venue	:	K- Block-Vishwakarma Got. Engg. College
No of Participants	:	70

- **Objective of the Event**

This activity is aimed at providing a common platform to the students and industry experts. The students of final year had demonstrated their practical skills by showing their projects with working models in front of the eminent industry experts. IC dept has arranged a facility in K-block for the students to prepare the exhibition of their working model. The experts had reviewed them thoroughly and accordingly they have selected top three projects amongst them. The judgment was taken on the basis of Innovation, Creation, Understanding, Novelty and Societal aspects.

- **Outcome of the Event**

The students were demonstrated their projects to industry experts and also got an opportunity to get valuable feedback from them. They also meet them personally in order to understand and at some level to meet the current demand in the industry.
