

## VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

### Brief Report on “Making the secret sauce for future proof Engineering” held under IEI Student Chapter (EC)

Name of Department	:	Electronics & Communication Department and IEI Student Chapter
Date & Time	:	07/03/2019 & 02:00pm to 04:45pm
Venue	:	A-Block Vishvesaraya Hall (Auditorium)
No of Participants	:	68 Students

- **Objective of the Event**

An expert talk by Prof. Manish Jain from IIT, Gandhinagar was organized to provide the practical exposure of various Engineering Laws.

- **Outcome of the Event**

The outcome of this talk was the students are now think various simple Engineering terms like volume, kilogram, mass etc. in more practical way. He along with his team has demonstrated various working models on Bernoulli's experiment, Coulomb's law, law of electricity etc.

- **Event Photographs**
