

## VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

### Brief Report on “Applications of Engineering Physics in Electrical & Electronics” held under IEI Student Chapter(EC)

Name of Department/Organizer	:	Electronics & Communication Department and IEI Student Chapter
Date & Time	:	23/2/2018 & 1:45pm to 3:45pm
Venue	:	A-Block Vishvesaraya Hall (Auditorium)
No of Participants	:	123 Students

- **Objective of the Event**

An expert talk by Dr. Subroto Mukherjee from PRL was organized to develop the concept of Engineering Physics (Plasma Physics) in detail.

- **Outcome of the Event**

The outcome of this talk was the students are aware of the opportunities in plasma physics to undergo the IDP and also to pursue the further studies.

- **Event Photographs**
