

VISHWAKARMA GOVERNMENT ENGINEERING COLLEGE, CHANDKHEDA

Brief Report on Industrial Visit to “Wanakbori Thermal Power Station”

Name of Department/Organizer	:	Mechanical Engineering Department
Date & Time	:	04/10/2018,07.00 a.m
Venue	:	Wanakbori Thermal Power Station ,Wanakbori
No of Participants	:	56 students and 2 faculties

- **Objective of the Event**

7th semester students of Mechanical Engineering Department of Vishwakarma Government Engineering College Chandkheda visited Wanakbori Thermal Power Station at wanakbori. The objective of this technical visit is to see the working of thermal cycle and gives the detail information regarding the power generation. The visit was organized for one day on 4/10/2018. Total 56 students took benefit of this technical visit. These students were accompanied by following faculty members.

Prof. R B Shah

Prof Y M Modan

- **Outcome of the Event**

The Major outcome behind organizing this visit to Wanakbori Thermal Power Station at Wanakbori is to make our student realize the current practices going on in the field of electricity power generation. All students were instructed to gather at M-Block, VGEC at 7:00 AM on date of visit. This visit was very fruitful for students to understand working of thermal power plant at WTPS. Students were learn the practical aspect of application of mechanical engineering knowledge related to such industries.
